Website: <https://anuoluwapo.netlify.app> Github: <https://www.github.com/anu-oluwapo>

PROFILE

I am a detail-oriented front-end developer. I create captivating designs and curate interactive web experiences for amazing people using technologies such as HTML, CSS, and Javascript coupled with frameworks such as Bootstrap CSS, TailwindCSS, Materialize, and VueJS. I'm also familiar with WordPress and Adobe xd as well which I use to create some of my designs. When I'm not working, I love to play games, edit videos, play some basketball and occasionally watch movies.

SKILLS AND ABILITIES
